29 June 2022

DP Aircraft I Limited

Proposed issue of equity

As previously advised in its announcement of 1 April 2022, the Board of Directors of DP Aircraft I Limited (the "**Company**") has been consulting with the Company's largest shareholders with regard to the possibility of undertaking an equity fundraising in order to provide the Company with additional working capital. Having considered the feedback received from such shareholders, as well as the future prospects of the Company, the Board has determined to proceed with the fundraising through the issue of new ordinary shares in the capital of the Company ("**New Ordinary Shares**") by way of tap issuance (the "**Tap Issue**").

The Tap Issue will provide for the issue of up to 30,000,000 New Ordinary Shares at a price of US\$0.025 per Share, thereby raising up to US\$750,000. The Tap Issue is being undertaken at a price which represents a significant discount to the Company's NAV per Ordinary Share, which was US\$0.17366 as at 31 December 2021. At the Company's most recent Annual General Meeting, held on 1 July 2021, authority was granted by shareholders for the issue of up to 41,866,666 Ordinary Shares at a price which is less than the prevailing NAV per Ordinary Share.

The Tap Issue will be launched immediately following this announcement. To register their interest in participating in the Tap Issue, potential investors should communicate their applications for New Ordinary Shares by telephone to their usual sales contact at Investec. The Tap Issue is expected to close at 10.00 a.m. (London time) on Wednesday 6 July 2022 but may close earlier or later at the discretion of the Company and Investec Bank.

The Tap Issue will be made to qualified investors (as defined in Article 2(e) of the UK version of the Prospectus Regulation (EU 2017/1129) which forms part of UK law by virtue of the European Union (Withdrawal) Act 2018, as amended), and will be subject to the terms and conditions set out in the Appendix to this announcement.

Allocations of New Ordinary Shares

The number of New Ordinary Shares to be issued will be agreed between Investec and the Company following the close of the Tap Issue and announced shortly thereafter. It is expected that precedence will be given to applications from shareholders on the Company's share register as at close of business on 27 June 2022; and that, in the event that applications from shareholders in aggregate exceed the number of New Ordinary Shares available, allocations will be determined having regard for the number of Shares in the Company held by the applicant as at close of business on 27 June 2022. Notwithstanding the foregoing, Investec may choose to accept applications, either in whole or in part, on the basis of allocations determined in agreement with the Company, and may scale down any applications for this purpose on such basis as the Company and Investec may determine. Investec may also, notwithstanding the above, subject to the prior consent of the Company: (i) allocate New Ordinary Shares after the time of any initial allocation to any person submitting an application after that time, and (ii) allocate New Ordinary Shares after the Tap Issue has closed to any person submitting an application after that time.

Application for Admission

Application will be made for admission of the New Ordinary Shares to trading on the Specialist Fund Segment of the London Stock Exchange's main market for listed securities (the "SFS") ("**Admission**"). It is expected that Admission will become effective, and that dealings in the New Ordinary Shares on the SFS will commence, on Friday 8 July 2022.

Information about the Company

Following a loan agreement event of default last year, leading to security enforcement and the disposal of the two aircraft previously owned by the Company which were leased to Norwegian Air (LN-LNA and LN-LNB), the Company has two remaining aircraft, namely the two Boeing 787-8s leased to Thai Airways (HS-TQC and HS-TQD).

(a) Arrangements with Thai Airways

On 1 April 2021, a Letter of Intent ("**LOI**") was signed with Thai Airways amending the terms of the lease arrangements with the Company and its subsidiaries (the "**Group**"). The new terms provide for a power by the hour ("**PBH**") arrangement until December 2022 (i.e. rent will be payable by reference

to actual monthly utilisation of the aircraft), with scaled back monthly fixed lease payments thereafter until 2026, reflecting the reduced rates now seen in the market. The lease term was extended for a further 3 years to December 2029, with further scaled back monthly lease payments starting from January 2027; but this extension is subject to the Group retaining a right of early termination in December 2026 after consulting the lenders. In accordance with the LOI, the effective date for the lease modification was 15 June 2021, being the date on which Thailand's Central Bankruptcy Court approved the restructuring. Thai Airways also undertook to ensure that the Thai aircraft were airworthy and in flight-ready condition in all respects by 30 June 2021, and this was achieved. The actual lease agreement reflecting the terms set out in the LOI was signed on 1 April 2022.

(b) Arrangements with Thai Lending Banks

On 6 May 2021, subsequent to the LOI being entered into by the Group and Thai Airways as described above, the Group and the lending consortium providing debt financing to the Group in respect of the assets leased to Thai Airways (the "Thai Lending Banks") amended and restated the existing loan facility agreements in respect of the Thai aircraft to accommodate the new lease terms. Repayments of principal are being deferred until after the end of the PBH arrangement, 31 December 2022; and the Group and the Thai Lending Banks will enter into discussions towards the end of the PBH period to determine how best to schedule interest payments, principal repayments and a final balloon repayment, having regard for both the income being received by the Group in respect of the Thai aircraft, and the running costs of the Group. From the effective date interest is charged on the deferred principal at the percentage rate per annum equal to the sum of five per cent. (5.0%) per annum (which, for the avoidance of doubt, includes the Margin) plus LIBOR for the applicable period (such rate to be determined by the Facility Agent). Prior to the end of the PBH arrangement, the Thai Lending Banks and the Group will enter into negotiations to fix the interest rate for the period post the PBH Arrangement. Prior to the loan amendment detailed above, the Group and DekaBank had agreed that the Group would only be required to make interest payments on its borrowings relating to the assets leased to Thai, with no concomitant capital repayment obligation; and that the Group would make no dividend payments while deferrals remained outstanding under those borrowings.

(c) Cash Position

As at the date of this announcement the Group has c.US\$527k of cash on its balance sheet, and US\$206k of ongoing accruals (which, for the avoidance of doubt, excludes costs incurred in relation to the restructuring of the Thai leasing and debt arrangements, which are paid from funds controlled by the Thai Lending Banks rather than by the Company, and deferred amounts payable to the Asset Manager and the Directors). Average monthly cash outflow for the Company during 2022 has amounted to approximately US\$105.3k. Under the terms agreed with the Thai Lending Banks, the Company is (i) permitted a monthly payment of US\$70k out of the monies received by the Group from Thai Airways through the PBH arrangement and (ii) restricted from holding more than US\$1.2m in cash at any time, with any excess in either case paid over to the Thai Lending Banks.

(d) Debt Position

As at 26 June 2022, the Group had approximately US\$98.3m of debt outstanding to the Thai Lending Banks. The expected level of debt at the end of the lease with Thai Airways cannot currently be calculated definitively as the interest rate payable on such debt is still to be agreed with the Thai Lending Banks. However, for illustrative purposes, were the interest rate to be 5.0 per cent. per annum for the remaining life of the debt, the debt would fall to c.US\$68.0m in 2026 (or US\$46.1m if the lease were extended to 2029); and were the interest rate to be 6.0 per cent. per annum for the remaining life of the debt, the debt would fall to c.US\$71.6m in 2026 (or US\$52.3m if the lease were extended

to 2029). (It should be noted that the swap balance cannot be estimated until the year end, and so has been excluded from the calculation of the above estimates.)

(e) Aircraft Valuation

Average valuations for HS-TQC and HS-TQD as at 31 December 2021, based on valuations provided by three independent valuers, were as follows:

Basis of Valuation		US\$m
Current Half-Life Base	HS-TQC	66.70
	HS TQD	66.23
Current Half-Life Market	HS-TQC	47.84
	HS-TQD	47.61
Full-Life 2026 Lease End	HS-TQC	67.88
	HS-TQD	67.52
Full-Life 2029 Lease End	HS-TQC	60.05
	HS-TQD	59.74

(All future valuations assume an annual inflation rate of 2.0 per cent. Base value is the underlying value assumed by the appraiser at a certain date working on the assumption of a stable market and a reasonable balance of demand and supply. Market value represents the most likely trading price that may be generated for an aircraft under the market circumstances that are perceived to exist at the time.)

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; (c) local implementing measures; and/or (d) (where applicable to UK investors or UK firms) the relevant provisions of the UK MiFID Laws (including the FCA's Product Intervention and Governance Sourcebook ("**PROD**")) (together the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the New Ordinary Shares have been subject to a product approval process, which has determined that the New Ordinary Shares are: (i) compatible with an end target market of (a) investors who meet the criteria of professional clients and (b) eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the New Ordinary Shares may decline and investors could lose all or part of their investment; the New Ordinary Shares offer no guaranteed income and no capital protection; and an investment in the New Ordinary Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Tap Issue.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to New Ordinary Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the New Ordinary Shares and determining appropriate distribution channels.

Definitions of certain capitalised terms used in this section and in the Appendix are contained in paragraph 13 of the Appendix.

- 1.2 Each Applicant which confirms its agreement (whether orally or in writing) to Investec to subscribe for New Ordinary Shares under the Tap Issue will be bound by these terms and conditions and will be deemed to have accepted them.
- 1.3 The Company and/or Investec may require any Applicant to agree to such further terms and/or conditions and/or give such additional warranties and/or representations as it (in its absolute discretion) sees fit and/or may require any such Applicant to execute a separate letter (a "**Tap Issue Letter**"). The terms and conditions contained in any Tap Issue Letter shall be supplemental and in addition to the terms and conditions contained in this Appendix.

2. Agreement to Acquire New Ordinary Shares

2.1 Conditional upon:

- (a) Admission occurring and becoming effective by 8.00 a.m. (London time) on the date indicated in this Announcement (or such later time and/or date, not being later than 29 July 2022, as the Company and Investec Bank may agree); and
- (b) Investec confirming to the Applicants their allocation of the relevant New Ordinary Shares,

an Applicant agrees to become a member of the Company and agrees to subscribe for those New Ordinary Shares allocated to it by Investec at the issue price per New Ordinary Share (the "**Issue Price**").

- 2.2 To the fullest extent permitted by law, each Applicant acknowledges and agrees that it will not be entitled to exercise any remedy of rescission at any time. This does not affect any other rights the Applicant may have.

3. Payment for New Ordinary Shares

Each Applicant must pay the Issue Price for the New Ordinary Shares issued to or for the benefit of the Applicant in the manner and by the time directed by Investec. If any Applicant fails to pay as so directed and/or by the time required, the relevant Applicant's application for the New Ordinary Shares shall, at Investec's discretion, either be accepted or rejected in which case paragraph 4.4 or 7.5 of these terms and conditions shall apply to such application respectively.

4. Participation in, and principal terms of, the Tap Issue

- 4.1 Prospective Applicants will be identified and contacted by Investec.
- 4.2 The latest time and date for receipt of commitments under the Tap Issue is 10.00 a.m. on Wednesday, 6 July 2022. The Company and Investec reserve the right to bring this date forward, or to extend the timetable at their discretion, provided that the closing date will not be later than 27 July 2022.
- 4.3 Investec will re-contact and confirm orally or in writing to Applicants the size of their respective allocations and a trade confirmation will be dispatched as soon as possible thereafter. Investec's oral or written confirmation of the size of allocations and each Applicant's oral commitment to accept the same or such lesser number as determined in accordance with paragraph 4.4 below will constitute a legally binding agreement pursuant to which each such Applicant will be required to accept the number of New Ordinary Shares allocated to the Applicant at the Issue Price and otherwise on the terms and subject to the conditions set out in this Appendix.
- 4.4 The Company (after consultation with Investec) reserves the right to scale back the number of New Ordinary Shares to be subscribed by any Applicant in the event of an oversubscription in the Tap Issue. The Company and Investec also reserve the right not to accept offers to subscribe for New Ordinary Shares or to accept such offers in part rather than in whole. Investec shall be entitled to effect the Tap Issue by such method as it shall in its sole discretion determine. To the fullest extent permissible by law, neither Investec, nor any holding company of Investec, nor any subsidiary, branch or affiliate of Investec (each an "**Affiliate**") nor any person acting on behalf of any of the foregoing shall have any liability to Applicants (or to any other person whether acting on behalf of an Applicant or otherwise). In particular, neither Investec nor any Affiliate thereof nor any person acting on their behalf shall have any liability to Applicants in respect of their conduct of the Tap Issue. No commissions will be paid to Applicants or directly by Applicants in respect of the New Ordinary Shares.
- 4.5 Each Applicant's obligations will be owed to the Company and to Investec. Following the oral or written confirmation(s) referred to above, each Applicant will have an immediate, separate, irrevocable and binding obligation, owed to Investec, to pay to Investec (or as Investec may direct) in cleared funds an amount equal to the product of the Issue Price and the number of New Ordinary Shares which such Applicant has agreed to acquire under the Tap Issue. Commitments under the Tap Issue, once made, cannot be withdrawn without the consent of the Directors. The Company shall allot such New Ordinary Shares to each Applicant (or to Investec for onward transmission to the relevant Applicant) following each Applicant's payment to Investec of such amount.
- 4.6 Each Applicant agrees to indemnify on demand and hold each of Investec, the Company and the Asset Manager and its and their respective Affiliates harmless from any and all costs, claims, liabilities and expenses (including legal fees and expenses) arising out of or in connection with any breach of the acknowledgements, undertakings, representations, warranties and agreements set forth in these terms and conditions as supplemented by any Tap Issue Letter.
- 4.7 All obligations of Investec under the Tap Issue will be subject to fulfilment of the conditions referred to below under "Conditions".

5. Conditions

- 5.1 The Tap Issue is conditional (inter alia) as described in paragraph 2.1 above.
- 5.2 If the Tap Issue does not become unconditional, the Tap Issue will lapse and each Applicant's rights and obligations under the Tap Issue shall cease and determine at such time and no claim may be made by an Applicant in respect thereof. Investec shall have no liability to any Applicant (or to any other person whether acting on behalf of an Applicant or otherwise) in respect of any decision they may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition relating to the Tap Issue or in respect of the Tap Issue generally.
- 5.3 By participating in the Tap Issue, each Applicant agrees that its rights and obligations hereunder terminate only in the circumstances described above and will not be capable of rescission or termination by the Applicant.
- 5.4 By participating in the Tap Issue, each Applicant agrees with Investec that the exercise by Investec of any right of termination or other discretion shall be within the absolute discretion of Investec and that Investec need not make any reference to the Applicant in this regard and that, to the fullest extent permitted by law, Investec shall not have any liability whatsoever to the Applicant in connection with any such exercise.

6. No Prospectus

- 6.1 The Tap Issue is only available to Relevant Persons that are identified and contacted by the Investec and the New Ordinary Shares will only be offered in such a way as to not require a prospectus in Guernsey, the United Kingdom or elsewhere. No offering document or prospectus has been or will be submitted to be approved by the Guernsey Financial Services Commission nor the States of Guernsey Policy Council nor the FCA in relation to the Tap Issue and Applicants' commitments will be made solely on the basis of the information contained in this Announcement (including this Appendix) and information that has been published by the Company in accordance with the Disclosure Guidance and Transparency Rules and UK MAR (collectively "**Regulatory Information**").
- 6.2 Each Applicant, by accepting a participation in the Tap Issue, agrees that the content of this Announcement, including this Appendix, is exclusively the responsibility of the Company and confirms to Investec, the Company and the Asset Manager that it has neither received nor relied on any other information (other than the Regulatory Information), representation, warranty, or statement made by or on behalf of the Company or Investec (other than the amount of the relevant Applicant participation in the oral or written confirmation given to Applicants and the trade confirmation referred to elsewhere in this Appendix), any of their respective Affiliates, or any person acting on behalf of the Company, the Asset Manager or Investec, and neither Investec, nor any of its Affiliates, nor any person acting on their behalf, nor the Company will be liable for any Applicant's decision to participate in the Tap Issue based on any other information, representation, warranty or statement which the Applicant may have obtained or received (regardless of whether or not such information, representation, warranty or statement was given or made by or on behalf of such persons). By participating in the Tap Issue, each Applicant acknowledges to and agrees with Investec for itself and as agent for the Company, that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Tap Issue, and confirms that it has understood the risks of investing in the Company and acquiring New Ordinary Shares and has read the risk factors detailed in the Company's latest annual report and financial statements and in the Company's most recently published prospectus, each of which are available on the

Company's website www.dpaircraft.com/. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

7. Registration and settlement

- 7.1 Settlement of transactions in the relevant New Ordinary Shares following their Admission will take place within the CREST system, using the DVP mechanism, subject to certain exceptions. Investec reserves the right to require settlement for and delivery of the relevant New Ordinary Shares to Applicants by such other means as it may deem necessary, if delivery or settlement is not possible or practicable within the CREST system within the timetable set out in this Announcement (including this Appendix) or would not be consistent with the regulatory requirements in the Applicant's jurisdiction.
- 7.2 Each Applicant allocated New Ordinary Shares in the Tap Issue will be sent a trade confirmation stating the number of New Ordinary Shares allocated to it, the aggregate amount owed by such Applicant to Investec and settlement instructions. Applicants should settle against CREST Participant ID: 331. Each Applicant agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the standing CREST or certificated settlement instructions which it has in place with Investec.
- 7.3 It is expected that settlement will be on a T+2 basis in accordance with the instructions set out in the trade confirmation. Trade confirmations will be despatched on or around 6 July 2022 and this will also be the trade date in respect thereof.
- 7.4 Interest is chargeable daily on payments not received from Applicants on the due date in accordance with the arrangements set out above at the rate of 2 percentage points above the base rate of Barclays Bank Plc.
- 7.5 Each Applicant is deemed to agree that if it does not comply with these obligations, Investec may sell any or all of the New Ordinary Shares allocated to the Applicant on such Applicant's behalf and retain from the proceeds, for their own account and profit, an amount equal to the aggregate amount owed by the Applicant plus any interest due. The Applicant will, however, remain liable for any shortfall below the aggregate amount owed by such Applicant and it may be required to bear any tax or other charges (together with any interest or penalties) which may arise upon the sale of such New Ordinary Shares on such Applicant's behalf.
- 7.6 If New Ordinary Shares are to be delivered to a custodian or settlement agent, the Applicant should ensure that the trade confirmation is copied and delivered immediately to the relevant person within that organisation.
- 7.7 Insofar as New Ordinary Shares are registered in the Applicant's name or that of its nominee or in the name of any person for whom the Applicant is contracting as agent or that of a nominee for such person, such New Ordinary Shares will, subject as provided below, be so registered free from any liability to PTM levy, stamp duty or stamp duty reserve tax. If there are any circumstances in which any other stamp duty or stamp duty reserve tax is payable in respect of the issue of the New Ordinary Shares, neither Investec nor the Company shall be responsible for the payment thereof. Applicants will not be entitled to receive any fee or commission in connection with the Tap Issue.

8. Representations and Warranties

By participating in the Tap Issue, each Applicant will (for itself and any person(s) procured by it to acquire New Ordinary Shares and any nominee(s) for any such person(s)) be deemed to acknowledge, agree, represent and warrant to each of the Company, the Asset Manager and Investec that:

- 8.1 it has carried out its own investigation of the Company and the New Ordinary Shares and has read this Announcement, including this Appendix, in its entirety and acknowledges that its acquisition of New Ordinary Shares is subject to and based upon all the terms, conditions, representations, warranties, indemnities, acknowledgements, agreements and undertakings and other information contained herein and undertakes not to redistribute or duplicate this Announcement (including this Appendix);
- 8.2 no offering document or prospectus has been prepared in connection with the New Ordinary Shares and represents and warrants that it has not received a prospectus or other offering document in connection therewith;
- 8.3 the Ordinary Shares are listed on the Specialist Fund Segment of the London Stock Exchange, and the Company is therefore required to publish Regulatory Information, which includes a description of the nature of the Company's business and the Company's most recent balance sheet and profit and loss account and that the Applicant is able to obtain or access such information without undue difficulty, and is able to obtain access to such information or comparable information concerning any other publicly traded company, without undue difficulty;
- 8.4 it is relying solely on this Announcement (including this Appendix) and the Regulatory Information published by the Company prior to Admission of the New Ordinary Shares issued pursuant to the Tap Issue and not on any other information given, or representation or statement made at any time, by any person concerning the Company or the Tap Issue. It agrees that none of the Company, the Asset Manager and Investec, nor any of their respective officers, agents or employees, will have any liability for any other information or representation. It irrevocably and unconditionally waives any rights it may have in respect of any other information or representation;
- 8.5 the content of this Announcement (including this Appendix) and the Regulatory Information is exclusively the responsibility of the Company and (in respect of the Regulatory Information) in addition to the Company, the persons stated therein as accepting responsibility, and apart from the liabilities and responsibilities, if any, which may be imposed on Investec under any regulatory regime, neither Investec nor any person acting on its behalf nor any of their Affiliates makes any representation, express or implied, nor accepts any responsibility whatsoever for the contents of this Announcement and the Regulatory Information nor for any other statement made or purported to be made by them or on its or their behalf in connection with the Company, the New Ordinary Shares or the Tap Issue, including but without limitation any Key Information Document published by the Company in accordance with UK PRIIPs Laws (and/or the EU PRIIPs Regulation);
- 8.6 if the laws of any territory or jurisdiction outside the United Kingdom are applicable to its agreement to acquire New Ordinary Shares under the Tap Issue, it warrants that it has complied with all such laws, obtained all governmental and other consents which may be required, complied with all requisite formalities and paid any issue, transfer or other taxes due in connection with its application in any territory and that it has not taken any action or omitted to take any action which will result in the Company, the Asset Manager or Investec or any of their respective Affiliates, officers, agents or employees acting in breach of the

regulatory or legal requirements, directly or indirectly, of any territory or jurisdiction outside the United Kingdom in connection with the Tap Issue;

- 8.7 it does not have a registered address in, and is not a citizen, resident or national of, any jurisdiction in which it is unlawful to make or accept an offer of the New Ordinary Shares and it is not acting on a non-discretionary basis for any such person;

- 11.2 The Company, the Administrator and the Registrar will process such personal data at all times in compliance with DP Legislation and shall only process such information for the purposes set out in the Company's privacy policy which is available for inspection at the Company's registered office and a copy of which may be requested from the Administrator (the "**Privacy Notice**").
- 11.3 Any sharing of personal data between parties will be carried out in compliance with DP Legislation and as set out in the Company's Privacy Notice.
- 11.4 In providing the Company, the Administrator or the Registrar with personal data, the Applicant hereby represents and warrants to the Company, the Administrator and the Registrar that:
- (a) it complies in all material aspects with its data controller obligations under DP Legislation, and in particular, it has notified any data subject of the purposes for which personal data will be used and by which parties it will be used and it has provided a copy of the Privacy Notice to such relevant data subjects; and
 - (b) where consent is legally competent and/or required under DP Legislation, the Applicant has obtained the consent of any data subject to the Company, the Administrator and the Registrar and their respective affiliates and group companies, holding and using their personal data for the purposes (including the explicit consent of the data subjects for the processing of any sensitive personal data for the purposes).
- 11.5 Each Applicant acknowledges that by submitting personal data to the Company, the Administrator or Registrar (acting for and on behalf of the Company) where the Applicant is a natural person, he or she (as the case may be) represents and warrants that (as applicable) he or she has read and understood the terms of the Privacy Notice.
- 11.6 Each Applicant acknowledges that by submitting personal data to the Company, the Administrator or the Registrar (acting for and on behalf of the Company) where the Applicant is not a natural person, it represents and warrants that:
- (a) it has brought the Privacy Notice to the attention of any underlying data subjects on whose behalf or account the Applicant may act or whose personal data will be disclosed to the

Company as a result of the Applicant agreeing to subscribe for New Ordinary Shares under the Tap Issue; and

All documents provided in connection with the Tap Issue will be sent at the Applicant's risk. They may be returned by post to such Applicant at the address notified by such Applicant.

For the exclusive benefit of Investec, the Company and the Asset Manager, each Applicant irrevocably submits to the jurisdiction of the courts of England and Wales and waives any objection to proceedings in any such court on the ground of venue or on the ground that proceedings have been brought in an inconvenient forum. This does not prevent an action being taken against an Applicant in any other jurisdiction.
